Written Learning Update #2

The Learning Update (Report Card) for Term 2 will be published in MyEdBC on Thursday, April 25th after 12 pm. You will need to log into your Parent Account to access the learning update. Published Learning Updates will be open for viewing until May 31, 2024.

Access the Parent Portal at: <https://www.myeducation.gov.bc.ca/aspen/logon.do>

If you have issues with access, please contact the Parent Portal Support Team by sending an email to MyEdParentPortal@sd38.bc.ca. In the subject line please put Parent Portal, and in the message include the following: School Name, Login ID, Student name, Parent/Guardian name and a brief description of the account issue.

In addition, each student completed the required self-assessment of their Core Competencies. This self-assessment is posted in their student e-portfolio or sent home as a hard copy for you to view.

Some students may also be sent home additional ELL and/or Resource report.

It has been another great term of learning, and we look forward to continued growth in the last Term 3.
