Reminders

Community fridge

As you know we are fortunate to have new community fridge at our school. The food items in the fridge have become very popular with many of our students. We are finding that some of our students have packed sufficient and healthy lunches but they still come to help themselves to too many snacks in our fridge. As a result, there are not enough snacks left for students who need them. We are asking that you speak with your child about using our school fridge responsibly. Thank you.

Student illness

If your child is ill with fever, cough, runny nose or is throwing up, please keep them at home for at least 24 hours and until symptom free before going back to school. Thank you for your support in keeping our school community safe and healthy for everyone.

Staff Parking

Staff parking is for staff only. Also, please do not park on the road leading to the staff parking lot. Parents and caregivers are asked to park in the drop off area. If the area is full, then please park on the neighbourhood streets. Thank you for keeping the parking lot area safe for everyone.

Kindness Umbrella

Kindness to Others

McMath Secondary Leadership class once again visited our Grade 6 and 7 classes to share about kindness, empathy and making a difference as a leader.
