# Good byes

This is the time of the year when we unfortunately say good byes to staff members leaving our school:

**Mr. Vines** - promoted to Principal at Thompson Elementary School. Congratulations!

**Ms. Mah** - Congratulations on her retirement!

**Ms. Wong** - Congratulations on her baby. She will be on maternity leave until June 1st, 2025.

**Ms. Mohammed** - Congratulations on her new teaching position at Anderson Elementary.

**Ms. Aguilar** - surplussed due to decreased enrolment and will be teaching at Hamilton Elementary.

**Ms. Bennett** - leaving to take care of her family.

**Ms. Peralta** - finished her temporary position for this school year.

**Mr. Zhang** - surplussed due to lower enrolment.

**We will miss them and wish them all the best in the future!**

# New staff at Diefenbaker

**Ms. Sol Stevenson** - our new Vice-principal from Delta School District

**Mme Carrie Bourne** - Grade 7 Late French Immersion teacher. She has been Teacher Consultant with our district.

**Mme Sarah Yick** - Grade 7 Late French Immersion teacher. She has taught over fifteen years at Dixon Elementary.

**Ms. Shawna Hedges** - resource and prep teacher in primary classes

**Ms. Shay Lucovic** - resource teacher for Ms. Wong's leave until June 1st

We are very fortunate to have these fantastic educators  
join the awesome Diefenbaker staff!

## Reminders

### Parking reminder

Staff parking is for staff only.

Please, do not park in the staff back parking lot.

Also, please do not park on the road leading to the staff parking lot. Parents and caregivers are asked to park in the drop off area. If the area is full, then please park on the **neighbourhood streets**. Thank you for keeping the parking lot area safe for our children.

### Message from our School Liaison officers:

**Make sure your children are buckled up with safety seat belts at all times.**

# Kindness Umbrella

## Kindness to Place

Students in Mr. Vines' classes have been learning about Kindness to place by walking around our school and taking close-up photos of nature. Check out their amazing still images!

Here is what our students said about what they learned:

· What I see:

When I zoom in at nature, I see a lot more, such as a photo of this droplet.

· How I see it:

When I slow down to take a look at a natural object, I actually look at it closer and see more.

· Why:

Slowing down and zooming in helps me understand nature better.

I appreciate the beauty of nature like daisies and raindrops.

My curiosity is sparked. I begin to wonder and ask interesting questions about our natural world and what we can do better to protect it and care for it.

I now see more details.
