Kindness to self
Kindness to others
Kindness to place

Keeping our community healthy

Cold and flu season has begun and we are noticing an increase in illness at school. In an effort to keep our students and staff healthy, please continue to keep your student(s) at home if they are experiencing symptoms of illness. If they have a fever or have been vomiting, please keep them home at least 24 hours or more until they are symptom free.

We are grateful for those of you already making these efforts.

Thank you for helping us keep our community healthy.

Parking reminder: Staff parking is for STAFF ONLY at all times.

Staff parking is for staff only. Please, do not park in the staff back parking lot.
Also, please do not park on the road leading to the staff parking lot. Parents and caregivers are asked to park in the drop off area. If the area is full, then please park on the **neighbourhood streets.** Thank you for keeping the parking lot area safe for our children.

Message from our School Liaison officers to everyone:

Slow down at all times in the school zone and parking lots.

Make sure your children are buckled up with seat belts at all times.

SAFETY FIRST
