# Celebration of literacy assembly

The focus of this assembly was for students to use reading strategies such as predicting and making connections to what they know. Students viewed a wordless story book projected on the four walls around the gym. They then shared their predictions with a partner sitting next to them.

# February Kindness challenge

Mr. Pantaleo and our Grade 7 leaders have organized Kindness initiative where they recognize students showing kindness to others, to self and to place.

Throughout the day they give out kindness coins to anyone showing kind deeds and words.

Kindness counts every day and makes a difference!!
